TULSA	Ray Jordan		X
WASHINGTON	Gary Deckard (Pres)	X	

4. Introductions  
*Commissioner Dean Bridges presented plaques of appreciation to Commissioners Jim Clark and Mike Helm for the assistance they have given to Nowata County. He also introduced the newly elected commissioner for Nowata County District 1, Mr. Kellis Pierce.*
5. a. Reading of the minutes of the Special Board Meeting held on December 8, 2009, and approval or modification thereof.  
*Dana Hudgins made a motion to accept the minutes; Mike Helm seconded. Motion carried.*
6. Treasurer's Report  
*Balance prior to this meeting was \$164,260.95. November deposit (\$22,882.40) was received December 11; \$241.74 in interest was credited on December 31. Check #10054 was written today to Guy Engineering Services for \$10,280.00 which included \$1,765 for on-call services. Check #10055 was written to Pawnee County District 2 for \$50,000 for their Materials Request project. New balance is \$127,105.09. A check from the OCCEDB is expected next week for approximately \$23,000.*
7. Acknowledge receipt of incoming correspondence  
*None received.*

8. Discussion and possible action to approve projects on the following programs:
- a. Emergency Transportation Revolving Fund (ETR)  
*No new applications were received. Delaware and Osage Counties were due to repay ETR fund in November based on their initial applications; they will check on the repayment status. Pawnee County will repay their amount soon. None of the three outstanding ETRs have reached the 1 year required pay back date.*
  - b. Bridge Replacement (BR)  
*Mike Helm made a motion to fund BR projects as currently allocated; Gary Deckard seconded. Motion carried. CED will recommend to ACCO District that any remainder BR funds be applied to Nowata County's project.*
  - c. Surface Transportation Program (STP)  
*No action taken.*
  - d. Material Request Program (MRP)  
*Mike Helm made a motion to fund Pawnee County's MRP; Roy Bible seconded. Motion carried.*
  - e. County Improvements to Roads & Bridges (CIRB)  
*Counties were reminded that they need to select an engineer and get design started if they haven't already done so. Shannon Sheffert indicated although 6th and 7th year projects have not been added to the plan at ODOT, counties may proceed with engineer selection and design.*
  - f. American Recovery and Restoration Act (ARRA)
    - Final Accounting of Stimulus #1
    - Proposed Stimulus #2*Russell Earls made a motion to use potential Stimulus #2 funds for the following projects at 90% with 10% from CBRI or local sales tax:*

<u>COUNTY</u>	<u>90% FUNDING</u>	<u>PROJECT</u>
Nowata	\$553,500	BR #29 California Creek
Craig	1,080,000	BR #78 Pawpaw Creek
Delaware	360,000	BR #62 Hogeye Creek
Craig CIRB	1,080,000	BR #31 West Fork Big Cabin
Pawnee	270,000	BR #34 Skedee Creek
Rogers	400,000*	BR#79 Dog Creek
	\$3,743,500	

*\*all remaining ARRA funds would go to Rogers County BR #79 Dog Creek.*

*Roy Bible seconded. Motion carried.*

- 9. Discussion and possible action on requesting reports from various board meeting representatives, i.e., CAB.  
*Board representatives were requested to be present (or submit a written report) at future CED meetings to keep the CED apprised of recent events and/or decisions. Board Representatives will be listed on future agendas.*
- 10. Discussion and possible action on proposed changes to the Material Request Program.  
*No action taken. The committee decided to wait until CBRI legislation has been finalized before suggesting a new policy.*
- 11. Discussion and possible action to create new website to allow posting of equipment/vehicles for sale or needed.  
*Dale Vance made a motion to use the On-Call Services to pay the one-time fee (\$2,550) for the new website. Alva Martin seconded. Motion carried.*
- 12. Discussion and possible action on future distribution of CBRI and CIRB funds  
*Blick reviewed several possible distribution/allocation scenarios that had been discussed at the statewide board level. He advised it would be in the CED's best interest to encourage legislators not to change the current distribution method. Gary Deckard invited everyone to attend next week's legislative meeting.*
- 15. Update on OCCEDB and ACCO events  
*Randy Robinson reported there is a bill to sell CompSource to the highest bidder. CompSource is the provider for Workers Compensation. He doesn't know if this sale would be legal and doubts it would benefit the counties. Another bill would remove population limits allowing counties to fund projects*

*within largely populated areas. ACCO does not support this bill because it would increase mileage but not funding and would direct more County funds to the cities due to larger voting populus. He is promoting returning control of CBRI funds to county control. There would be stipulations for chip and seal and overlays that counties can not currently do with these funds.*

*Randy and others went to Washington, DC last week and thanked legislators for the stimulus money. Oklahoma counties currently have \$74M of projects that could be ready for the next round of stimulus funds.*

*Something that has been overlooked is a commissioner cannot enter into an ETR agreement that lasts longer than a year. He will look further into this and suggest resolutions to extend deadlines where necessary.*

*Randy is working with Robert Endicott with Cherokee Nation to create maps of projects. Guy Engineering will provide the 20-year plan maps to Randy and Robert.*

16. Legislative report
17. ODOT Local Government report
18. Review calendar of events
19. Set date for the next CED meeting  
*The next CED meeting will be in Pawnee County on February 17, 2010.*
20. Adjourn

Lunch was sponsored by BKL Architects and Keystone Equipment
