

# CIRB FUNDING

County Improvements for Roads and Bridges funding has been capped at \$120M per year, and \$230M has been removed over the past three years in order to balance the State budget.

2016

\$50M

2017

\$50M

2018

\$130M

**↑ CAPPED AT \$120M ↑**

WHAT DOES THIS MEAN TO NORTHEAST OK?

33

OR

25

# of bridge projects lost

miles of roadway reconstruction lost

27

millions of tribal dollars at risk

30

# of bridges the tribal funds would construct

529

# of structurally deficient bridges

WHY

344

# of bridges that cannot carry a school bus
